PROFESSIONAL SUMMARY

Civil Engineer with 3+ years of hands-on experience in structural design, site supervision and quantity estimation — including **1 year of UAE site experience (Ajman)** and **2+ years across Bangladesh**. Designed 10+ buildings up to 5 stories with complete client handover. Skilled in AutoCAD, ETABS and Estimating & Costing, with a strong record in QA/QC, project scheduling, BOQ preparation and contractor coordination. Seeking a Civil / Site Engineer position in the UAE.

KEY SKILLS

Engineering: Structural Design • Site Supervision • Estimating & Costing / BOQ • QA / QC • Project Planning & Scheduling
Software: AutoCAD • ETABS • MS Office • Tally
Additional: Web Design • Digital Marketing • AI Automation

WORK EXPERIENCE

Civil Engineer | Al Qari Building Contracting Oct 2025 – Present
Ajman, UAE

- Supervised structural execution and site management for a residential villa project, from foundation through to finishing.
- Carried out quality assurance and compliance monitoring against approved drawings and specifications.
- Reviewed and interpreted construction drawings, coordinating contractors and subcontractors to keep work on schedule.
- Verified material quantities on site to support cost control and reduce wastage

.

Site Engineer | Nor Design Solution Feb 2024 – Aug 2025
Bangladesh

- Designed 10+ buildings up to 5 stories and delivered complete handover to clients.
- Prepared 2D architectural and structural drawings in AutoCAD in line with building codes.
- Developed project schedules and tracked work progress, reporting to management.
- Implemented QA / QC across structural and finishing works to minimise rework.

Site Engineer | Unity Housing (Pvt.) Ltd. Mar 2022 – Dec 2023
Bangladesh

- Supervised execution of residential construction works on site.
- Monitored daily progress and ensured construction quality to specification.
- Coordinated with site labour and material suppliers to maintain steady workflow.

EDUCATION

B.Sc. in Civil Engineering (BSCE) 2023
University of Creative Technology, Chittagong (UCTC), Bangladesh
